Assistant manager – insolvency with Grant Thornton in Bradford	1982
Granted insolvency licence	1987
Returned to Revell Ward as partner designate – admitted to partnership November 1992 accepting insolvency appointments.	1992
Continued as a sole practitioner in Huddersfield when Revell Ward merged with Neville Russell	1997
Admitted to Academy of Experts as a Qualified Mediator	1998

I continue to work with a small staff undertaking a variety of insolvency assignments which are referred to me, typically, by firms of accountants and solicitors. Bankruptcy work is also referred to me by the Official Receiver.

In addition I undertake mediation work referred to me from Court Schemes and firms of solicitors or by other recommendation.

Mediation experience includes partnership dispute resolution, but my day to day work as an insolvency practitioner brings me into contact with a wide variety of conflicts between debtors and creditors in commercial situations. I also have to deal with domestic situations, for instance when I am charged with disposing of a bankrupt's interest in a dwelling house.
