EXPERIENCE IN GENERAL :

- Experienced project manager on a variety of building & civil engineering projects, having worked on some of North Wales' largest infrastructure projects with individual schemes valued in excess of £100 Million each. Building projects include health, education, local government, commercial, industrial and housing sectors. Civil engineering projects including roadworks, marine and heavy civil engineering.
- Extensive experience in pre and post contract quantity surveying and cost management services, including risk management and contract administration procedures. Advising on claims, including their evaluation and resolution.
- Experience in claims and various dispute resolution procedures e.g. litigation, arbitration and adjudication, including expert witness reporting for the Technology and Construction Court (ex Official Referees Court). Acts as party representative in arbitration & adjudication when

required.

- Preparation of strategies and compilation of Business Proposals for non-construction related projects eg aviation projects
- More detailed information about specific experience can be provided on request.
- Office management and site supervision.
- Preparation of Procurement strategies
- Events Management

SUPPLEMENTAL INFORMATION :

Supporting the surveying profession

Branch Chairman North Wales (1999/2000)

Branch Treasurer North Wales (1995/1999)

Secretary of the North Wales QS Division (1986/90)

Chairman of the Junior Organisation North Wales (1989/90)

Branch Representative North Wales (1987/88)

Hon Sec Junior Organisation North Wales (1988/90)

Member of the North Wales Branch Executive and Quantity Surveyors Divisional Committees for several years

Member of the RICS Civil Engineering Practice Panel (1997-2000)

Member of the Engineering Project Management Forum (representing the RICS) (1997-2000)

Member of the Chartered Institute of Arbitrators North West Branch (1999 – Present)

Computers

Considerable experience, knowledge and familiarity of computer hardware and software including RIPAC, ICEPAC, and Microsoft Office software suite (including Microsoft Project & Powerpoint).

Contracts

Contract experience includes most standard JCT Forms, GC/WORKS1/Edition 3, ICE and NEC Forms of Contract.

Welsh Language

Fluent in both written and spoken Welsh (first language). This is an added advantage where the ability to communicate in Welsh is desirable for some clients and their partners.
