

Roy Poyntz

PROFILE

Roy has a background in financial and commercial management in the Chemicals, Energy and Utilities sectors. An experienced originator and negotiator of large scale projects he is now Chairman of Global Coal, an FSA regulated exchange.

Accredited as a mediator by the Chartered Institute of Arbitrators in 2006 his commercial mediation experience includes:

- _ Landlord and Tenant
- _ Property and construction;
- _ Probate;
- _ Employment;
- _ General contractual disputes;
- _ Insurance

He has also been extensively involved in community mediation having logged more than 50 cases and delivered mediation skills training to new volunteers.

He has led a local advice centre and is skilled in helping clients make decisions under difficult personal circumstances.

Based in North Yorkshire and London, Roy is prepared to act throughout England.

Feedback from Parties:

"Confident, friendly and optimistic"

"Relaxed manner but showing lots of energy"

"Allowed us to make our own judgments"

"Did an excellent job in what can be trying circumstances"

"allowed us to make compromises and reach a conclusion in such a way that we (both sides) felt happy with the outcome"
